

Jeffrey Widmer, CBO
Director / Chief Building Official
City of Rockwall

Mr. Widmer began his municipal career in 1990 and has served as Chief Building Official for the City of Rockwall since 1998.

Current responsibilities for the City of Rockwall include the Building Inspections, Neighborhood Improvement Services, Health Department and the Rockwall Municipal Airport. Past duties also included eight years of Director responsibilities of the City's Animal Services Department and Animal Adoption Center.

Mr. Widmer is a Certified Building Official, has earned a Texas Plumbing Inspector License, a Texas Code Enforcement Officer Registration, a Texas Animal Control Officer certification and holds several ICC certifications. In addition, he is a graduate of the University of Virginia's Weldon Cooper Center for Public Service's Leading, Educating and Developing (LEAD) program and currently serves on the North Texas Council of Governments Regional Code Coordinating Committee and Building and Residential Advisory Board.

Mr. Widmer has served on the Building Officials Association of Texas Disaster Response Team during multiple deployments and was Team Leader following the Rowlett TX. and Van Zandt County tornados and Hurricane Harvey events.
